Dear Friends,

We are excited to announce Escuela de Guadalupe's tenth annual ¡Salud! to be held on Saturday evening, October 5, 2024. We hope you can join us to celebrate a monumental year for Escuela- the 25th anniversary!

We are immensely grateful to our wonderful community members like you who have made the past 25 years possible. As we anxiously await the chance to celebrate with you in person, we take this opportunity to reflect on some of the wonderful achievements and growth we have experienced over the years.

Escuela's 25 Years

1999

Escuela de Guadalupe was founded as a K-5 model due to the need for a quality Catholic education in English and Spanish in the Denver area.

2008

Our doors nearly closed due to financial hardships. David Card, the President at the time, implemented the 'Save Our School' campaign and Escuela was able to continue its mission of serving those in need!

2015

Escuela moved from its home on 34th and Pecos to its current building at 660 Julian St. and expanded to a Pre-K through 8th Grade model.

2019

Our first-ever class of 8th Grade students graduated and went on to many great high schools!

2020

Escuela de Guadalupe started the process of becoming accredited for the first time through the Association of Colorado Independent Schools.

2023

The Escuela de Guadalupe class of 2019 graduated from high school and continued on to college, many of them as first generation college students!

2024

Escuela de Guadalupe celebrates 25 years of serving its deserving students and providing quality education to all regardless of financial circumstances.

"Lo tenemos todo y estamos listos para cambiar el mundo"

"We have it all and we're ready to change the world"

As we look forward to our 25th year, the heart of Escuela de Guadalupe's mission remains the same - to continue to support and uplift our students, our families and our community, so that all committed young scholars have equal opportunity to realize their dreams. Your partnership drives our ability to continue that mission, and it is the reason we have been able to, for 25 years, provide financial assistance to **over 86% of our students.**

Last year, thanks to your generosity, our ¡Salud! event raised over \$530,000 for critical financial assistance. Thanks in part to this success, Escuela de Guadalupe was able to distribute over \$1.4 million in scholarships for the 2022-2023 academic year.

As our enrollment continues to grow, so does the need for more educational resources, and most importantly, the need for scholarships. Our goal for ¡Salud! 2024 is to raise enough money to provide full scholarships to **50** of Escuela's deserving students who consistently demonstrate they are worthy of your investment. We hope you will consider partnering with us during our 25th anniversary to make this possible.

Enclosed, please see this year's sponsorship opportunities. **Please contact Caroline Orr at caroline_orr@escuelaguadalupe.org or 303-964-0816 with any questions.** Thank you for your consideration and for your support of our students. We sincerely hope to see you on October 5th!

Sincerely,

Janalee Chmel
